1.1) Work with other county council officers and partners including district councils to compile evidence for Local Growth Fund 3 (LGF3) schemes by LEP deadline to maximise the chance of success in autumn bidding round.

1.2) Engage with Highways England over evidence base for RIS2 programme, and Network Rail for strategic rail delivery, and work with partners on advocacy and lobbying with government.

1.3) Review Planning Obligations Standards annually to ensure we are seeking the maximum possible contributions from developers.

1.4) Submit business cases for Pooled Business Rates (PBR) funding, and other funding bids as they arise through the year.

2.1) Manage and oversee development and delivery of individual Local Growth Fund allocation schemes. Undertake consultation and feasibility work to determine priorities.

2.2 Continue to build the relationship with the LEP to reduce the risk to the county council in having to fund budget increases on schemes. Build other strategic relationships.

2.3) Periodically review timescales for S106 funding to ensure it is spent before the end date and take action as required. Periodic reviews for transport contributions and an annual review process for library and education contributions.
