Report title:	Pathmakers update
Date of meeting:	6 th July 2022

Summary

The completion of the website seems to have taken longer than expected but it is almost up and running.

HLF has agreed to the slight alteration of our grant details so that the implementation phase can include the Walking Festival mentioned in my previous report.

A Project Manager has been appointed for the Walking Festival in October and he is working hard. Contact has been made with over 30 organisations in Norfolk to enlist their support and the project is taking shape.

We have nearly completed a pilot for the parish boards proposal and we are talking to a funder. We will then roll out a proposal with NALC's help.

The mentoring of the third year students has been completed with some interesting data being provided.
