Strategic impact

Providing regular information about key service issues and activities supports the Council's transparency agenda and enables Members to keep updated on services within their remit. It is important that there is transparency in decision making processes to enable Members and the public to hold the Council to account.

Executive summary

This report sets out the Forward Plan for the Business and Property Committee. The Forward Plan is a key document for this committee to use to shape future meeting agendas and items for consideration, in relation to delivering business and property issues in Norfolk. Each of the Council's committees has its own Forward Plan, and these are published monthly on the County Council's website. The Forward Plan for this Committee is included at Appendix A.

This report is also used to update the Committee on relevant decisions taken under delegated powers by the relevant Executive Director (or their team), within the scheme of delegation.

Recommendations:

Business and Property (B&P) Committee are asked:

- 1. To review the Forward Plan at Appendix A and identify any additions, deletions or changes to reflect key issues and priorities the Committee wishes to consider.
- 2. To note the delegated decisions.
