Report title:	Major Infrastructure Projects
Date of meeting:	3 April 2019
Responsible Chief Officer:	Steve Miller – Assistant Director, Culture and Heritage
Strategic impact Major infrastructure projects (including Nationally Significant Infrastructure Projects (NSIP)) in Norfolk carry implications for the public rights of way (PRoW) network.	

Executive summary

A table of major infrastructure projects in Norfolk (including Nationally Significant Infrastructure Projects (NSIP)) which impact on public rights of way has been prepared by NCC Environment Team.

Recommendations:

That the NLAF notes PROW implications associated with current major infrastructure projects and plans and agrees which schemes it wishes to be formally be consulted on.

1. Proposal (or options)

- 1.1. A number of Nationally Significant Infrastructure Projects (NSIP) are planned in Norfolk. The implications for the PRoW network have been listed by NCC Environment team and made available to the NLAF (Appendix 1). Opportunities for NLAF involvement (by registering as a formal consultee) are indicated.

The PROW subgroup of the NLAF discussed the new list at their meeting on 11th March 2019 and noted that NCC Environment Team was in the process of developing a protocol with input from NCC planners to allow timely input by the NLAF on other schemes and projects.

2. Evidence

- 2.1. An updated list of current major infrastructure projects with PRoW implications has been collated by NCC Green Infrastructure Team (Appendix 1)

3. Financial Implications

- 3.1. None associated with this report

4. Issues, risks and innovation

- 4.1. None associated with this report

5. Background

- 5.1. See Evidence
