Executive summary

Recommendation:

The Audit Committee is requested to consider this report which details to the Committee, Norfolk Pension Fund's governance arrangements, being fully compliant with legislative requirements, regulatory guidance and recognised best practice.

1. Proposal (or options)

1.1 The recommendation is set out in the Executive Summary.

2. Evidence

2.1 The Fund prepares and publishes a Governance Compliance Statement, which measures compliance against best practice guidelines. The Fund is fully compliant with legislative requirements, regulatory guidance and recognised best practice in relation to Governance.

- 2.2 As Administering Authority for the LGPS in Norfolk and in accordance with legislation, the Council has delegated LGPS pensions' matters to Pensions Committee who have 'quasi trustee' status. The 'quasi' status reflects the fact that individual Trustees do not have the same legal status as their private sector counterparts. However, like trustees of private sector pensions schemes, their overriding duty is to ensure the best outcomes for the Pension Fund, its participating employers and scheme members/beneficiaries.
- 2.3 Pensions Committee membership includes representatives of other employers and scheme members, alongside the Council's elected members. This is in compliance with statutory guidelines for LGPS Governance.
- 2.4 In their role as Trustees of the Norfolk Pension Fund, Pensions Committee oversees the management (e.g. administration, strategy and investment) of the Norfolk Pension Fund. Terms of reference for the Committee, as detailed in Part 4.1 of the Council's Constitution, are as follow:

To administer all aspects of the Norfolk Pension Fund on behalf of Norfolk County Council as Administering Authority of the Local Government Pension Scheme, and on behalf of Norfolk County Council as an employer within the Scheme alongside all other contributing employers, and on behalf of all scheme beneficiaries (scheme members) including:-

(a) Functions relating to local government pensions etc under regulations made under Sections 7, 12 or 24 of the Superannuation Act 1972.

(b) To receive and consider the draft Financial Statements for the Norfolk Pension Fund.

(c) To comment on the draft Financial Statements and make a recommendation to the Audit Committee that they be approved/not approved.

- 2.5 Under Regulations 55 of The Local Government Pension Scheme regulations 2013, LGPS administering authorities are required to prepare, publish and maintain statements of compliance against a set of best practise principles on scheme governance and stewardship. These principles are set out in statutory guidance issued by DCLG.
- 2.6 In accordance with this legislation, the Norfolk Pension Fund prepares and publishes each year a Governance Statement and Governance Compliance Statement. Both statements are approved by the Pensions Committee.
- 2.7 The Pension Funds Governance Statement details roles and responsibilities in relation to the Fund and is attached at Appendix A. The Statement is published on the pension fund website, www.norfolkpensionfund.org
- 2.8 The Fund's Governance Compliance Statement (which measures compliance against best practise guidelines) is attached at Appendix B and is incorporated in the published Annual Report and Statement of Accounts. Norfolk Pension Fund is fully compliant with the principles as set out in the statutory guidance.

2.9 The governance arrangements of the Norfolk Pension Fund are further supported by:

- Norfolk Audit Services undertaking a programme of annual audits which provide assurances on the adequacy and effectiveness of internal controls and risk management for the Pensions Committee.
- The work undertaken by External Audit (Ernst and Young) and detailed in the annual Audit Plan, to provide an audit opinion on whether the financial statement of the Norfolk Pension Fund provide a true and fair view of the fund's financial statements at year end.

Upon completion of the audit of financial statements, The External Auditor will produce a report (ISA 260 – Communication with those charge with Governance), which may include any specific matters of governance which have come to his attention in performing the audit. The Executive Director of Finance and Commercial Services, being the person with specific responsibility for the financial statements, will draft a letter of representation to the External Auditor highlighting any matters material to the financial statements and possible non-compliance with laws and regulations. External Audit requires that the Chair of Pensions Committee countersigns the letter on behalf of “those charged with governance”.

The appointment of Ernst and Young to the Pension Fund is separate from their appointment to the County Council.

2.10 The Public Service Pensions Act 2013, includes several key provisions relating to the administration and governance of public service pension schemes including the LGPS. Under the provisions of section 5 of the Public Service Pensions Act 2013 and regulation 106 of the LGPS Regulations 2013 (as amended), LGPS funds must set up and operate local pension boards.

In Norfolk the local pension board is referred to as the Norfolk Pension Fund Pensions Oversight Board. The role of the board is to assist the Norfolk Pension Fund in complying with all the legislative requirements making sure the scheme is being effectively and efficiently governed and managed. The Board's recent work programme includes; fund communication, breaches policy and the 2016 triannual valuation.

The Terms of Reference for the Norfolk Pension Fund Pensions Oversight Board and minutes of meetings can be found at [Pensions Oversight Board ToFR and Minutes](#).

The Pensions Oversight Board has an equal number of employer representatives and scheme member representatives. In addition an independent chairman has been appoint to oversee the smooth running of the board.

- 2.11 Following the Government's announcement in 2015, inviting LGPS funds to submit proposals for the pooling of investment assets, the Norfolk Pension Fund has been working with 10 other 'like-minded' administering authorities to form an investment pool known as ACCESS ('A collaboration of Central, Eastern and Southern Shires'). Together the 11 Funds have investment assets of approximately £40 billion.

Investment pooling is intended to create the scale that will enable access to lower investment manager fees and deliver cost savings to the LGPS. In a pooled investment structure individual funds, like Norfolk, will still be responsible for their own investment strategy and asset allocation.

To facilitate pooling, the ACCESS funds jointly drafted a legally binding Inter Authority Agreement (IAA) setting out the governance arrangements for the pooling of investments. Approval for the Norfolk Pension Fund to enter into the IAA for the pooling of assets was given by County Council on the 20th February 2017.

The ACCESS Pool is governed by a Joint Committee constituted under s101 of the Local Government Act 1972 and made up of the Chairs from the 11 Pension Committees.

The expectation is that the new investment pools will begin to be used for collective investment from April 2018 onwards.

5. Background

- 5.1 The Local Government Pension Scheme (LGPS) is a national scheme, which is governed by statute to meet the pension requirements of Local Government and other associated employers. Although the LGPS is a national scheme, it is administered locally (through 100 or so Funds across the country with local accountability). The scheme has its own Regulator, the Department of Communities and Local Government Department (DCLG).
- 5.2 In Norfolk the LGPS is administered by Norfolk County Council (NCC) and delivered through the Norfolk Pension Fund. The Fund is a multi-employer arrangement which currently has 322 active contributing employers.
- 5.3 The Norfolk Pension Fund is maintained separately from NCC. It has a separate bank account, ring fenced assets, a separate budget funded from its own resources and produces its own Statement of Accounts and Annual Report. The Pension Fund accounts are in addition to the statutory disclosures made in NCC's Statement of Accounts.
