\*The political group allocations to the Police and Crime Panel are calculated with reference to the requirement for the Panel to be politically balanced based upon the overall political balance of Council seats in Norfolk. The 7 district councils each appoint 1 representative and the County Council makes its 3 appointments to ensure that the overall political balance is achieved.

Changes to the County Council group allocations to the Panel can be confirmed once the results of any District Council elections have been analysed and District Council appointments to the Panel made.
