# Community Resilience Response

Leads Ceri Sumner (NCC) and Jamie Sutterby (SN &B DC)

## Identifying our Vulnerable People

Co-ordinate the development of a Norfolk wide list of vulnerable people  
Criteria for who needs to be on the list and order of priority  
Manages and reconciles with Govt lists  
Agree how to share and maintain the list GDPR and DPIA)  
Prepares “cuts” of data for districts and outbound call activity

## Food and Medicine

Securing food for shielding population and access to food for wider population  
Develop links with local food suppliers  
Manage donations across the county  
Setting up supply chain hub  
Focus on how to distribute food, medicine and essential supplies to people already on the vulnerable list, or emerge through social isolation

## Volunteer and Donations

Drive uptake of volunteering via agreed single point of referral  
Recruitment, screening / DBS process of volunteers  
Making resources available to localities  
Prioritisation of requests  
Co-ordination of volunteers (central)  
Grant allocation process with Norfolk  
Community Foundation

## Local Capacity and Support

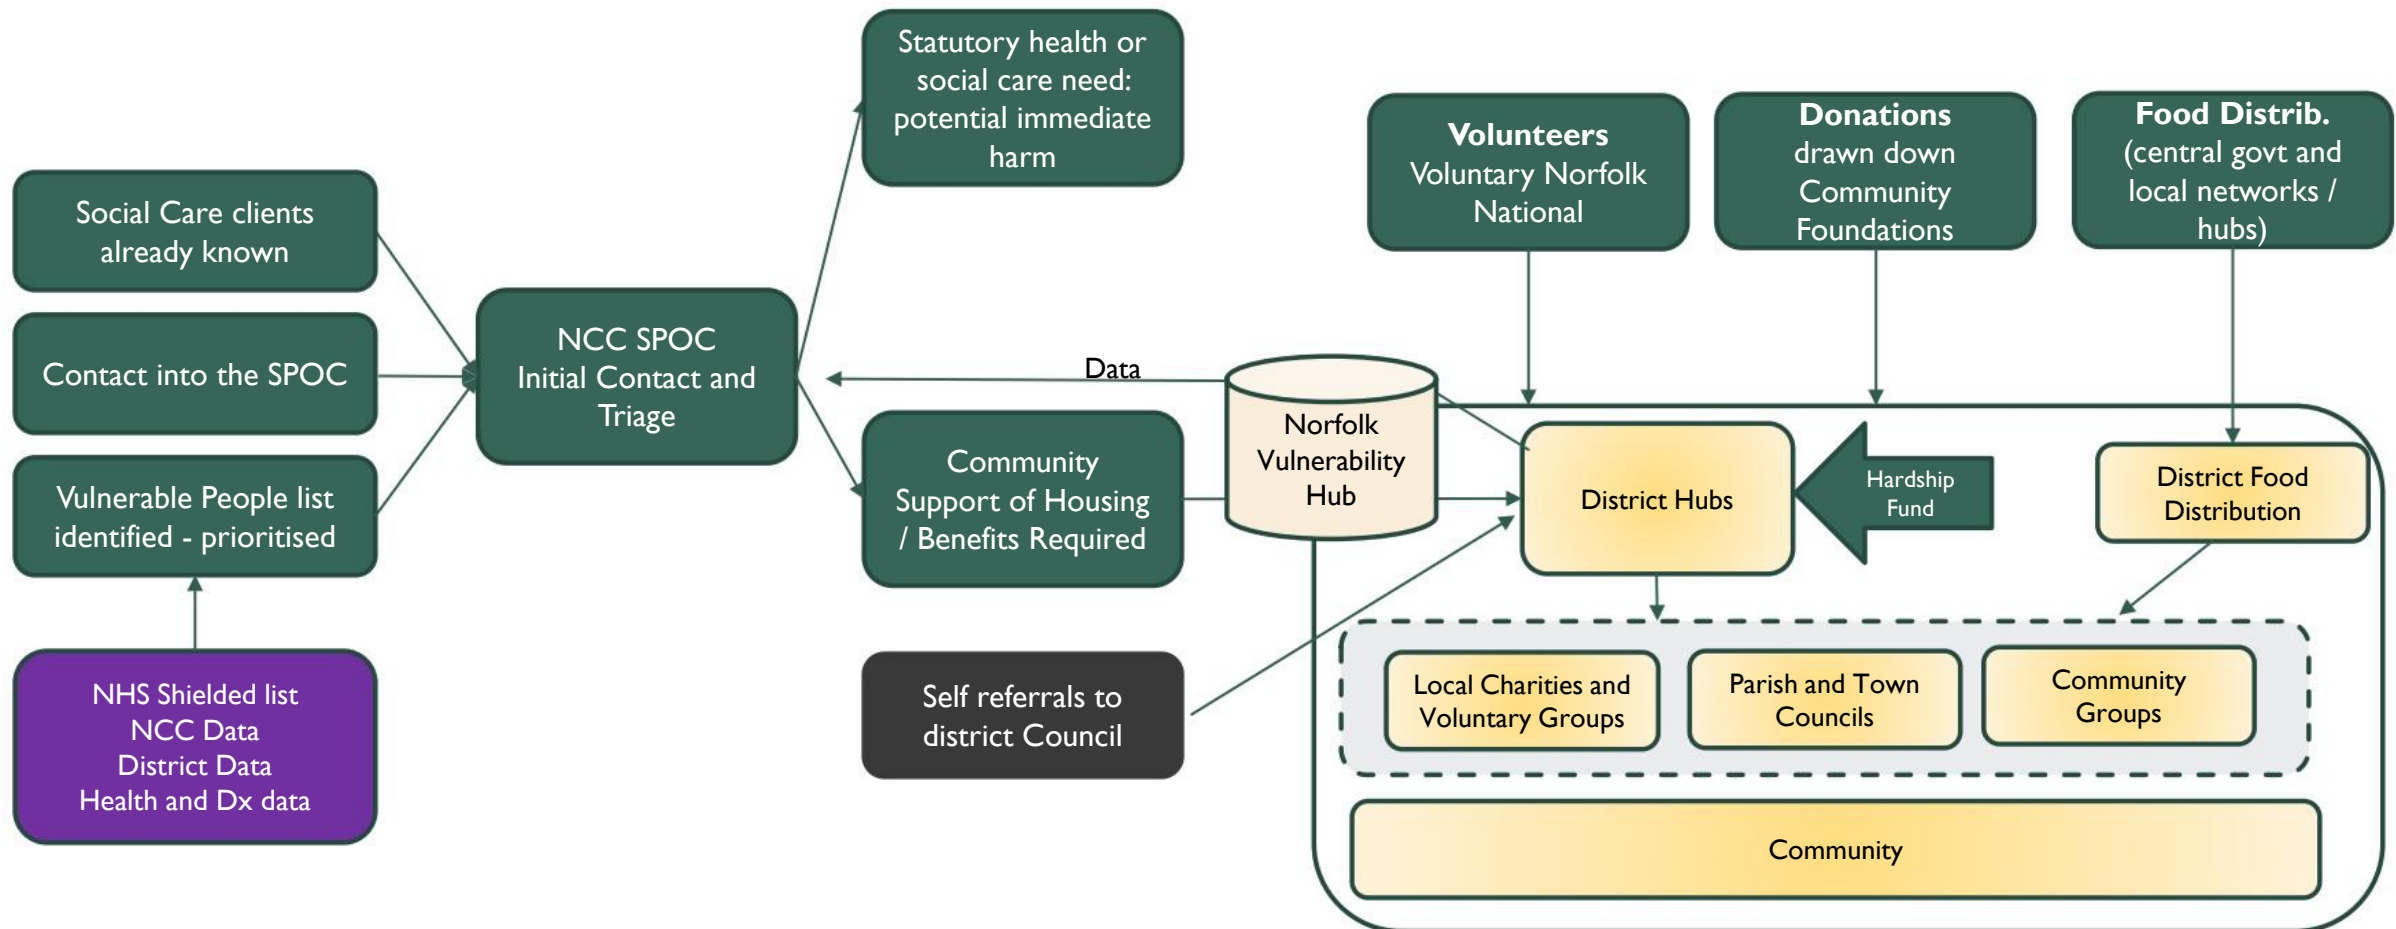

Consistent approach to community offer – community hubs  
Local deployment of the volunteers on a district footprint  
Support town and parish councils and local community groups  
Helping people and community groups to access funds and support  
Delivery of the Hardship Funds from govt / economically vulnerable

## Customer Contact

Outbound and inbound calling protocols, process maps and training  
Determine consistent and trustworthy web and telephone contact routes  
Facilitate technology deployment  
Determine threshold criteria to formal services  
Agree consistent communications  
SCAMS promotion  
Develop Trusted Volunteer ID Card

# OPERATING MODEL

- Referral pathways from county services to districts
- Community capacity in volunteers and resources
- A consistent model of community hub in each district
- Systems capability to better manage vulnerability going forwards
- Reinforced partnership working with the voluntary sector

# COMMUNITY OFFER

## Community Response Offer

**Aim:** to keep residents safe and well at home

The response is actioned either by volunteers, community groups or redeployed council staff.

Priority is given in order of:

- Extremely vulnerable and advised to shield by NHS
- Vulnerable
- Self isolating
- Worried well

## Wellbeing

Weekly check-ins  
Befriending services (via phone)  
Contact with local community groups  
Support to register as vulnerable with services  
Offering reassurance and advice on staying well  
Guidance and signposting on how to keep active

## Necessities

Food ordering  
Arranging food collection and deliveries  
Picking up prescriptions  
Walking pets  
Sharing applicable benefits and financial support  
Advice on what to do in an emergency  
Access to hardship funds

## Community Response

## Home

Arranging emergency home and heating repairs  
Advice on keeping warm/heating the home efficiently  
Make the property safe and secure  
Housing and homelessness advice  
Registering for assisted bin collections

## Other

Employment support and rights advice  
Issues relating to self-isolation such as MOT delays etc.  
Accessing online services where homes do not have the internet  
Acquiring documents or NHS numbers  
Enhanced debt and budgetary support  
General advice, information and signposting

Who are the top priority category?

“Extremely Vulnerable”

Those identified as needing to shield by the NHS, including those using the .gov form

Those identified by Adult Social care, existing service users, those with a carer (risk of breakdown) those who are about to be discharged from hospital\*

Those identified by Children's services as vulnerable - CIN, LAC, EHCP

Those identified by District Councils – Assisted bin collection

Who are the who is in the middle priority?  
“Vulnerable”

Those who are in the vulnerable category and self isolating, those over 70, those with symptoms who are self isolating without support, Council tax over 70 and alone

Those being supported by Early Help hubs at a district level

Children's services – families who are vulnerable to sudden changes (lack of food, support with parenting whilst isolated).

Who are the lower priority category?  
“Everyone who needs advice and support”

Families and residents who need information and advice on – Food supplies, medicine access, support with income and debit, those who are self employed

Seeking information about health and wellbeing activities and other support services in the community that are available at this time

Those looking to volunteer and support or donations

## Norfolk Community Resilience and Recovery

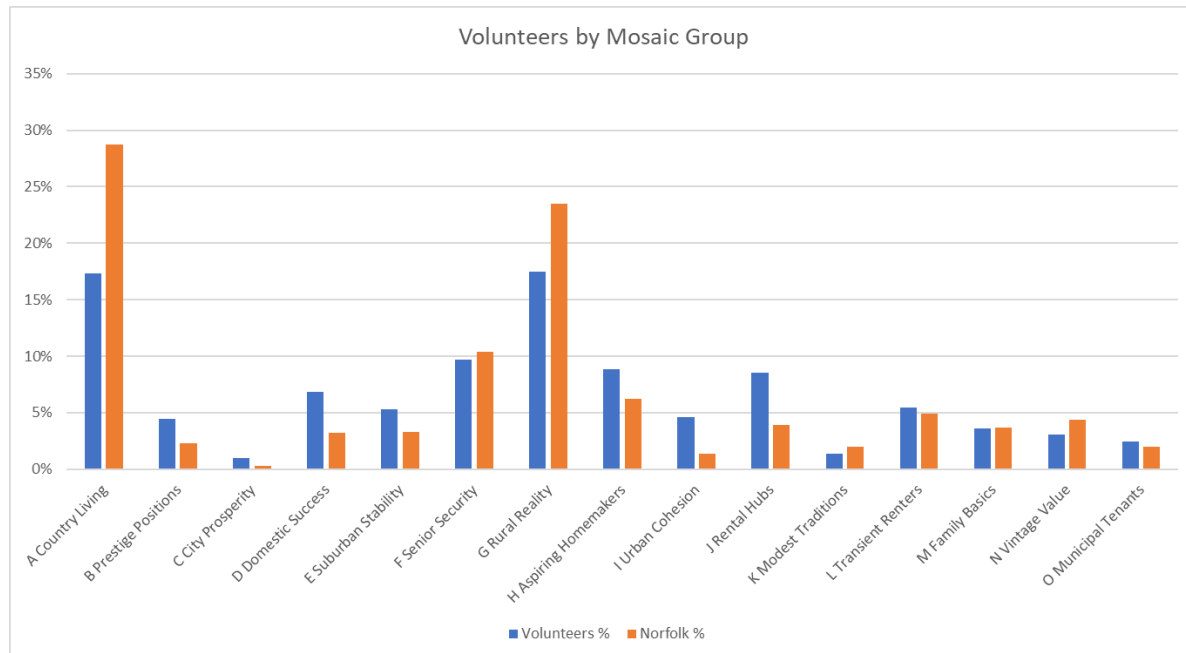

<b>NHS Shielded List provided by MHCLG</b>	<b>2nd April</b>	<b>Increase</b>	<b>9th April</b>	<b>Increase</b>	<b>6th May</b>	<b>Increase</b>	<b>20th May</b>
Breckland	2,493	1,154	3,647	1,765	5,412	294	5,706
Broadland	2,211	1,138	3,349	2,658	6,007	207	6,214
GYBC	2,041	831	2,872	1,073	3,945	218	4,163
KLWN	3,038	1,255	4,293	2,226	6,519	300	6,819
NNDC	2,209	961	3,170	1,306	4,476	733	5,209
Norwich	2,070	923	2,993	2,504	5,497	269	5,766
SNDC	2,249	1,305	3,554	3,103	6,657	186	6,843
Norfolk	16,311	7,567	23,878	14,635	38,513	2,207	40,720

- Norfolk County Council is now receiving daily iterations of the NHS shielded list. The above table has consolidated these daily iterations between 6<sup>th</sup>-20<sup>th</sup> May 2020.

# Emergency Food and Prescriptions Delivered

# Online Information and Advice

## Vulnerable people

Letters have been sent out to the public:

- Telling you if you have been identified as an 'extremely vulnerable person' or
- Asking you to register and tell the Government if you are an extremely vulnerable person and need support

## Who is an extremely vulnerable person?

You will have a [medical condition which makes you extremely vulnerable to coronavirus](#). You might also be called a 'shielded person'.

## How to register as an extremely vulnerable person

If you are an extremely vulnerable person, based on the criteria above, and **have not heard from us**, you can register yourself to receive support. Someone else can also register on your behalf.

If you have already registered and are receiving [government food deliveries](#) that you'd like to cancel, you will need to re-register and state that you don't need them.

[Further information and register](#)

## Prescriptions

How to arrange delivery of prescriptions if no-one can collect them for you

[Medicines and prescriptions](#)

### NHS health advice

Information on the symptoms and how to stop the spread

[NHS website](#)

### Professional care providers

Guidance for social care and healthcare workers

[Professional carers](#)

### Staying safe

If you hear or see something that makes you worried about a child

[Let us know](#)

## How volunteers can pay for food on behalf of others

ASDA and Marks & Spencer have created pre-paid card vouchers to allow volunteers to pay for and pick up food for the elderly, vulnerable and self-isolating without the need for cash.

Volunteer cards are bought on supermarket websites and can be topped up with pre-paid credit. Volunteers receive a bar code which can be scanned at till to pay for goods.

- [ASDA Volunteer shopping cards](#) have an upper limit of £150
- [Marks & Spencer We're all in this together cards](#) have a minimum £10 and no upper limit

## Home deliveries

As well as many supermarkets offering home delivery, [Morrisons Food Boxes](#) can provide a ready-made box of everyday essentials and groceries delivered to your door. This is a new service which is a one-click option for people who may struggle with creating their own basket of items - choose from the selection of boxes.

## Shops, food outlets and supermarkets

Norfolk Community Directory lists a selection of [shops, food outlets and supermarkets](#) - the map displays some, while the list displays all, of the results.

# Community Response

## Identifying our Vulnerable People

- Supporting 41,300 shielding population, of whom 21,458 are Extremely Vulnerable
- GRID based management of data
- Implementation of a new contact solution across all the local councils (Norfolk Vulnerability Hub) in just 4 weeks (750 users)

## Food and Medicine

- Distribution hub set up to ensure consistent food supply to all shielding residents
- Over 2800 emergency food parcels delivered
- Specific offer for allergens and other needs
- 7000 plus prescriptions delivered
- Access to food offer
- Food hardship offer inc (NAS) and onward pathways

## Volunteer and Donations

- 3200 + volunteers registered to support their communities
- £1.2 m in donations to Community Foundation (over 550K deployed to help our residents )
- Volunteer coordinators (from libraries) working with District colleagues

## Local Capacity and Support

- Community Hub set up in each district
- Excellent partnership working across councils, health, VCSE and others
- Consistent delivery of an agreed community response,
- Alignment of local capacity against need

## Customer Contact

- Letter to every Norfolk Household
- Outbound contact to 41k offer help and support
- Joined up operating model across partners
- 12,000 inbound calls from people needing help
- Quality assurance set up with Healthwatch
- Information to local town and parishes through NALC
- Bereavement support offer
